Rock the PSSA!

The 2013 PSSA Reading, Math, and Science Assessments continue this month. We were very pleased with the effort our fifth graders put forth during the PSSA Writing Assessment. We are looking for the same kind of effort as our third, fourth, and fifth graders begin the more lengthy reading and math assessments beginning on Monday, April 8, 2013.

Students will be given breakfast and/or snacks on testing days.

PSSA Schedule:

Grades 3, 4, and 5 Reading and Math Assessments
Monday, April 8 to Tuesday, April 16

Grade 4 Science Assessments
Monday, April 22 and Tuesday, April 23

Internet Safety Night

-Mrs. Kate Smeltz, Moore School Technology Teacher

Please join a group of Brentwood educators and experts on social media on *Wednesday April 24th at 7pm* at the High School Auditorium for an information session on *Internet Safety*. We will be discussing ways to keep your children safe online. You will get information about the websites your children are visiting and what you can do as a parent to interact with your tech savvy child. We hope to see you there.

Accelerated Reader: The Journey for Reading Treasure

The weather has been far from Spring-like but our course toward reading treasure is fast and true. It is, once again, time to take a look at how our students are progressing in the Accelerated Reader Program. As of March 25, 2013 at 2:00 PM, Moore School students accumulated **4,334.9** points. Last year, our readers earned 6,717.1 points which is our school record. If everyone pitches in we can sail right past that total and establish a new high water mark!

Here is a list of students who have been our most prolific readers by grade level so far this year:

Grade 1	Noah Cramer Kaylee Downie Mallory Daly Zachary Wuenschell Remington Peters	11.7 points 11.5 points 10.6 points 10.5 points 10.3 points

Kindergarten Registration

Kindergarten registration for the 2013-2014 school year will be held April 2-4, 2013. Registration packets may be completed from 7:00 AM to 8:00 AM, 9:00 AM to 11:00 AM and from 1:00 PM to 3:00 PM during the registration period.

The Brentwood Borough School District has revised the Kindergarten enrollment policy to bring the district in line with the vast majority of schools in southwestern Pennsylvania and across the Commonwealth. Beginning with the 2013-14 school year, a child must be five years of age on or before September 1, 2013.

According to school district policy, placement of Kindergarten students will be made using the attendance zones established by the school district as a guideline. Parents must register Kindergarten students at the school they will attend. The school administrators will make final assignments.

Parents must bring the child's birth certificate, immunization records and any other pertinent health information to registration. Parents must also provide proofs of residency, which may include a valid lease or mortgage agreement *and* a current utility bill with the parent's name and address imprinted upon it. The child need not be present. Parents should be prepared to complete all forms at the time of registration.

Parents may download Kindergarten registration forms from the school district's website to complete in advance. Registration materials may be accessed at www.brentwoodpgh.k12.pa.us. You may download and complete the forms at any time but we will not accept them until April 2, 2013. Parents must still bring the required forms, along with original birth certificate, immunization records, and proofs of residency, to the school office in person during the registration period.

Information regarding readiness screenings and Kindergarten orientation will be available during the registration period.
