

April 16, 2020

Greetings Brentwood Families,

Food Distribution:

Food Distribution to families will continue through June 5, 2020.

The next food distribution will be tomorrow, Friday, April 17, 2020. The location of the meal distribution is the MS/HS auditorium doors from 11:00am-12:30pm.

Closure Information:

- The most popular question we are receiving is when students can reenter the building to clean out their desks (at the elementary level) and their lockers (at the secondary level). The answer to this question is when the CDC restrictions are lifted. We are hearing that this may begin towards the end of May. If the restrictions are lifted sooner, we will notify families.
- A survey was emailed to the **families of our seniors**. The survey asks for feedback on potential dates for **prom** and **commencement**. Please respond by **April 24, 2020**.
- The Brentwood Borough School District will continue to provide remote instruction through June 5, 2020.
- The administrative meeting was held yesterday, and several positive stories were shared about the connections being maintained with our staff and families. If you have a positive story to share, please feel free to email the building principals or send a kind message on Twitter. We could all use a boost in these difficult times.
- The school board meeting for April will be Monday, April 20, 2020 via **ZOOM**. Brentwood residents and staff members are welcome to attend this meeting by phone or computer. The virtual **Waiting Room** will open at 6:55pm. The meeting will be locked at 7:10pm when the meeting **officially** begins. On Monday, April 20, 2020, a ZOOM link with instructions will be posted to the District website. Residents and staff members will be asked to identify themselves by First Name and Last Name. As with all board meetings, there will be two opportunities to comment during the meeting. The first opportunity occurs at the beginning of the meeting to ask questions about agenda items, and the second opportunity is at the end of the meeting and general questions may be asked. The meeting will be recorded, and the audio file will be uploaded to the District website. The District reserves the right to remove disruptive participants.
