December 19, 2018

Dear Brentwood Staff,

My name is Jeremy Bogdanski, and I am the new Director of School Police and Security for the Brentwood School District.

I am a graduate of Baldwin High School and immediately after graduating, I attended and graduated from the Indiana University of Pennsylvania Police Academy. I was drawn to working in the education environment of policing after graduating, due to seeing the vital role law enforcement plays in schools across the country.

In 2013, I was hired here at Brentwood School District as a School Resource Officer working under, previous Director, Mr. Joe Kozarian. During my time at Brentwood, I earned the titles of ALICE Instructor (Active Shooter Training) and an advanced NASRO member (National Association of School Resource Officers). I was a part of a team of officers that ran the Student Police Academy which helped bridge the gap between police officers and Brentwood students. As SRO's we taught many classes on safety and other community related topics to students and staff. We were also tasked with completing active shooter training for the entire district. Finally, the team of SRO officers completed annual physical security assessments of all schools in the district while working with local law enforcement to put a plan in place for emergency response and crime prevention.

In 2014, I was hired by Point Park University Police Department as a Patrol Officer. I took advantage of continuing my education while working at the university. I was the training coordinator, community relations officer, social media officer, field training officer, ALICE Instructor, use of force instructor and many more. In recognition of my efforts I was then promoted to the rank of Corporal and supervised 8 full time officers and 5 dispatchers.

I cannot express my excitement to be rejoining the Brentwood School District team and continuing to make a difference in the lives of our students. In my first few weeks on the job, I am looking forward to meeting everyone throughout the district. In the meantime, please don't hesitate to reach out to me or any other member of the Brentwood School District Police Department with any questions or concerns.

Sincerely,

Jeremy R Bogdanski
