Purpose

Adequate maintenance of buildings, property and equipment is essential to fiscal responsibility and efficient management of district facilities.

Authority

The Board directs that a continuous program of inspection and maintenance of all district buildings, property and equipment be established and implemented. Wherever possible, maintenance shall be preventive.[1] [2] [3]

Delegation of Responsibility

The Superintendent or designee shall develop and supervise a maintenance program. which shall include:

{X } Regular program of maintenance, repair and improvement of buildings and facilities.

{ X} Testing lead levels in drinking water.[3]

~~All maintenance, repair of buildings and equipment shall be handled through the regular channels of the school district according to the procedure outlined by the Superintendent through online service requests.~~

~~The only exception shall be in cases of emergency, in which prompt repair is necessary to prevent serious and immediate danger to life, health, safety or property. In such cases, the person in charge of the building, property involved, or the Director of Facilities Management shall provide for the needed service and promptly report his/her action to the Superintendent.~~

~~Schedules shall be planned to provide for the periodic, regular repairs, painting, and cleaning program of district property.~~
